

HO

Reservation for Cheyennes -

They (Soo) were picking out at slotas & slotas were good shot ~~but~~ one shot just passed me but this good shooter (soo) got shot rite in forehead & killed him dead.

Some took this man's dead body & wrap him in a blanket & tie him on a horse & take him home. This man was about 50 yds. from slotas when shot & when WB arrived & dragged him back to soo.

WB 24 yrs old at this time

Dakota Camp - 15 mi. from the battlefield -

a 2nd Soo ^{2 crow} took 1st Soos place & got shot the same way. ^{old man} ^{his wife}

Jump Bull also in this fight with WB, some Soo S + little E. of River - slotas on south side of Rosebud creek.

41

cloud man
no child, got killed later

a slota turns a pinta / spotted horse - loose out of the bank & a soo got on his horse & tried to catch the pinta but C.M.'s horse shot & he was shot but he got up & ran again after the pinta & they (slotas) shoot him in back & shoot his pick off & he falls & SB. takes him back to main bunch.

after the old man was shot, the slotas come out in a bunch but our horses were in a draw & I saw them & called they are coming - to your horses - The horses were scared & many soo mind their horses. (2 crows)

How is dead tied on a horse? - some Ind. & some home made saddles & dead thrown crosswise saddle - belly on saddle & head on 1 side - feet on other tied down -

SB did return to battle after taking C.M. back to big bunch
