Battle -

C.H. + Cheyennes were camping in some  
place & heard sold coming so they charged  
there & shot several sold. - Bring one dead fat  
sold. into camp (where camp was it was  
now moved) - cut him up & eat him &  
the white man tasted pretty good.

Little Shield tasted some of him & he  
told WB. - I.S. was in fite & came back  
& saw cheyennes with big fire - lots of  
meat on plate & can't talk well with  
cheyennes so he cuts a piece, fries it on

the fire & swallows several times before  
cheyenne motions to him he is eating  
white man - but is too late, he ~~can't~~  
can't get the meat up. - But it tastes  
pretty good anyway.

with looks? - Yes.
