I came home & got my lunch & nap & by this time Bentley was coming on N. side of camp, so I took 2 boys & myself makes 3 & we went down to where they stopped & I got 7 cavalry horses - Cause in this time the bunch of Ind. were starting & I got my horses & went thru Ind. camp.

About middle of site (3rd) we were camping toward white mt.

Camp scared because more sold. came from

WB. feels everyman must protect himself but it wasn't site to kill all them.
