

aquainted with everyone, so this sol. after that went back to Co. + miles ~~foot~~ come with this officer, ^{mtl} again + SB + some others dismtl + went to talk with Miles - (names unknown) 506

WB not ang' em.

while they were talking I was back of sold + saw they were ready to fight they had all their cannon + infantry lined up - I sized them up - ~~while~~ while I was ^{an Ind rider} came + sed, "they are getting too strong go up to where they are talking" - (SB) owns the warrior - (Cize) and I will stay here then follow" -

see page 107

I - WB got of my horse + stood back of where SB sat. - I had 6 shoters couldn't carry other gun.

The minute I stopped there I heard

(to miles)

SB "you are telling lot of lies. we have klls yesterday + I agree with u everything so did u u - me - I sed, But now today you are changed you are mad, why is it you been traveling out in this country + u been getting mad about it?"

Miles "I have orders from the great father to be out here. There is a bunch of freighter come thru a little way below here + some of you end take the mules away from them"

SB. "yes, you're rite on that. you're President orders the sold, + do those things so my boys have rite to do as what you have rite do with Ind."

Miles "you're true."

at this time 1 Ind whispered to me in my ear saying, you better get you uncle SB. away
