

many old Indians (M.P. Gilmore)  
knew more of natural history — (36)  
than scientists —

His name appears (Cong. Minutes)  
proved it —

Vol's cache of bushel of beans etc  
artichokes etc

→ SB never dressy —

— negligent of dress —

Probably did not own full  
regalia —

See Beede's fringed + plain  
moccasins — hard soles —
