

over or around it.

Maj McCafflin went to the Utes just before he went to the Utes the chief made an agreement with the office and the people did not know it. The survey was made and the allotments were made there was a quarrel when the Maj. came in ~~the~~ told the Utes that in Washington they knew all the chief and W.B. was the only wise man and he was S.B.'s nephew. The reason the Utes wanted to see W.B. but they held them back but they keep on coming up and they came to the place.
