

Gen. Delaney,
Rapid City, S.D.
June 25, 1937

Dear Mr. Campbell:

We finally located White Bull
and Ole Bull here in Rapid City. Les Cadotte
said you might be coming the end of June. I have
my tipi pitched on the main street on the west side
~~of town so the old men can see it. You can't miss~~
~~it. We hope you are coming and that we shall~~
~~see you soon.~~
