

was the fattest cow he  
ever killed.

They pushed all out W. B.  
only took the hind leg and  
a side then covers the  
remaining part with  
snow then find the  
track and find other  
cows about mid night  
and gets a couple horses  
& pack house the  
next morning and went  
back to the buffalo the  
snow had kept the  
beef warm, he  
meats the rest of the  
hunters and then  
they see two more  
buffalo and kills one of  
them and covers 3/4 of
