

Find out on what part of the body Custer was shot and tell W.B.

W.B. said he would not tell you whether or not he shot Custer but it was the book that W.B. shot him.

W.B. used a gun with short bullets and the bullet was shot that killed Custer.

W.B. went over the field and the hill stone south of the monument. They asked where Custer was killed. W.B. told them where Custer was killed. They asked W.B. did ~~Custer~~ kill Custer and W.B. said maybe, Custer was laying on his back.
