Mr. W. S. Campbell,
University of Oklahoma
Norman, Oklahoma

My Dear Sir:

I knew White Bull ("Ice") for many years and was very friendly with him and had great confidence in him.

He was a great talker. But, as I believe, he was altogether a truthful man, although sometimes inclined to exaggerate somewhat. I always placed great faith in what White Bull told me.

I never saw Crazy Horse for I never had any associations with the Sioux.

Yours very truly,

(Signed)
George Bird Grinnell
