Mr. W. S. Campbell,  
Hotel Irving,  
26 Grammercy Park  
New York.

My dear Mr. Campbell:

I have received your letter of July 31st asking  
about the fight on the Tongue River in the late '70s.

I am sorry that I cannot verify the question you  
refer to, at the moment. Upon my return to town, however,  
it will give me pleasure to make sure, if possible,  
regarding the point you bring up.

Very truly yours,
