Mr. Chauncey Thomas,

Dear Sir:

I am trying to learn something about the famous Sioux Indian, Sitting Bull. I understand that you took Buffalo Bill's last interview and knew him well. Can you help me in this matter? If so, please do.

I intend to publish the story of Sitting Bull, if I can get the facts. In that case, be sure that I shall be glad to give you full credit for any facts you may give me.

I understand that Sitting Bull was with Buffalo Bill's Show, and that Buffalo Bill knew him very well. If you recall any stories he told of the old Indian, I will thank you for them. Sitting Bull must have given his employer and friend something to talk about, I suppose, during the year or more he was with the show. Whatever you can tell me will be gratefully accepted.

Sincerely yours,

W S Campbell
