Mr. Chauncey Thomas,
524 East Nineteenth Avenue,
Denver, Colorado.

Dear Mr. Thomas:

Thanks very much for your letter about Sitting Bull and for your offer to speak to Hafen about Sitting Bull's autograph. I shall write him at once. I look forward to seeing you next summer, especially as I hope to bring with me a young man who is a lineal descendant of old Bill Williams and an enthusiastic student of the old West.

Since you are willing that I quote you regarding Sitting Bull's education, can you state the grounds of your belief that he attended the University of Missouri. There have been so many yarns told about this man that I am going to be compelled to substantiate every statement in the book, and the more names and documents I can refer to, the better the book will appear.

Cordially yours,

W. S. Campbell.
