Dear Prof Campbell,

Your letter of the
16th inst reached me today.

Red Cloud was not a "Political Rival"
of Sitting Bull, that much I
can tell you, as a fact,

Sitting Bull, was a man endowed
with talents, and in his way,
a leader among his people.

Both he, and "Gall", were ~~not~~
orators of the first class
among the Dakota people and
were respected as such.

Red Cloud, was a greater
warrior, and General.
