

Agate Springs Ranch
Agate, Nebraska

3/
at Pine Ridge, South Dakota,
our "old time" interpreter there,
is the best informed man I
know of today regarding the
information you desire. Anything
he would tell you regarding
the history of Sitting Bull, would
be reliable. He has spent the
greater part of his life with the
Dakotas. My old time friends
among these people has nearly
all passed on. My life work
has covered a big field, I now
find that my memory is not
as good as it was in days gone
by.

Sincerely yours
James H. Cook
