Mr. Henry M. Graven,  
Greene, Iowa.

Dear Mr. Graven:

Thanks for your clipping and the friendly service you have done me. Of course I wish to hear what your uncle has to say. In a job like this everyone who can help is necessary and welcome. I am going to Dakota in June, and if you will tell me how to find your uncle, I will try to meet him. You say he is named T.J. Thompson and lives near Mobridge. Can you give me more specific directions?

I have spent more than two years on this book, with another before me. A big job, but a very interesting study. And Sitting Bull is not much like the accented picture, I assure you.

With hearty thanks for your aid and interest, I remain,

Cordially yours,

W.S. CAMPBELL  
"STANLEY VESTAL"
