Professor W.S.Campbell  
Faculty Exchange

My Dear Professor Campbell:

Tried to get you twice on the phone yesterday, but did not succeed.

The two men that occur to me who might be able to help in the matter of Buffalo Bill's Show and Sitting Bull are C.F.Colcord of Oklahoma City and Fred Sutton of Kansas City. I do not happen to know Sutton's address in Kansas City. Colcord probably does. You doubtless know these men. Fred Sutton was a cowboy from Dodge City in the 70's, and has been in Oklahoma since the beginning. You may have read his book, "Hands Up." The last time I talked with him he was busy in the preparation of another book dealing with United States Marshalls in Kansas and Oklahoma.

As you doubtless know, Colcord has been ill in Mayo's Hospital, but I see by the paper he has returned home. I believe that you can get an appointment with him by writing.

Would not J.B.Thoburn have some data on this line?

I never saw Sitting Bull. In fact, I believe he passed out of the picture about the time I came West. Shall be very glad indeed if you will come over to the office and we will talk the thing over. I shall be in the office the greater part of next week.

Very truly yours,

Chas. N. Gould,  
Director.
