Which policeman killed Crowfoot?

Did he have any trouble with Sitting Bull before this?

Police man ~~James~~ ~~W. H. H. H.~~ killed Crowfoot. Crowfoot was only 17 yrs old and had no previous trouble with ~~any~~ ~~the~~ ~~men~~ ~~or any of his men~~ ~~nor any~~ trouble with S. B.

Did Red Tomahawk ever have any personal quarrel with Sitting Bull before the arrest and death of Sitting Bull? If so, I would like to know about that. You may write on the back of this sheet.

No personal trouble with Sitting Bull or any of his men
Statement from Red Tomahawk himself - about 11 o'clock on the evening of Dec. 14th, 1881, Red Tomahawk if he was fit for the task of getting Sitting Bull - Red Tomahawk said "yes". Red Tomahawk gave you his story. By the way, I have in my collection a rare photograph of Red Tomahawk, White Bull (nephew of Sitting Bull) and myself.

I have heard that the summer before Sitting Bull died, McLaughlin called the police to his office and told them that it looked as if they would have to kill Sitting Bull. Did you ever hear about this? What was Sitting Bull doing that made McLaughlin say he wanted to kill him?

McL, John Grass & Mad Bear were all jealous of Sitting Bull on account of the latter's great name and popularity. All three of these men had a meeting and they tried in every way to cause trouble with Sitting Bull. When Sitting Bull gave his ghost dance, this gave a good reason for the three above named men to cause his arrest and put him (S. B.) out of the way. ~~and~~ Another thing which might be of interest is that on the morning of Dec 10, the Policemen drank liquor near little oak creek (halfway to S. B. camp) This statement has been * denied by Red Tomahawk and others. I do not know how true it is.

Who were the leaders of the White Horse Riders when Sitting Bull organized it? Was Old Bull one? How many men belonged to that order at first? When was it founded? Who were its chiefs? I would like to know about this.

100 men belonged to the White Riders. Old Bull, one Bull, Circling Hawk were members. S. B. was leader also Circling Hawk. It was founded over 100 years ago.

another item of interest:- In McL - book "my friend the Indian" he says that Crowfoot made a few remarks which aroused the blood of S. B. who resisted arrest. It was one of Sitting Bull's wives who sang a "brave heart" song that encouraged S. B. not to go. The words are as follows " (see over)
