

II - I remember your father told me something which Sitting Bull said about Gall after Gall signed the Treaty in 1868 at Fort Rice, but I can't find it in my note book, so I am asking you to tell me again what it was.

Tatanka-iyotanka he Pizi, blehanska star ca

Wasin ob olas-kob kiciya un pi kta on he

It was S. B. who sent Gall to go to
Fort Rice where the treaty of 1868 was negotiated.
It was supposed to be a Peace Treaty.
This is all I have recollecte.
