

wan glepelo Leksi ti kin tima  
My uncle also had a cellar

blo tipi yuha yelo ti hauska  
in his house he lived in a long

ca oti yelo. ti gni gna wan  
house also a kitchen apart

waste ti kin iwaziyata nakum

pte oti wan caglepi ake zaptan  
his barn was fifteen steps long

ca gle yelo he iyehanyan peji  
The full length was a

paha numb egle pelo waya hota  
stack of hay he had a five

oksupi zaptan egle pelo pte  
wagon loads of hay. he also

owate cunkaske kiu he tanka  
had a feeding corral a large one

yuha yelo can pa gmiyanpi tipi  
he had sheds for his machinery

na peji inakseye iyunhinte ko  
for wagons mowing machines rake

ogna han ca yuha yelo lenake  
were all under this shed

makasan Mr. Pemplin woju awan  
(White Party) Mr. Pamplin now at Custer soldiers home was boss farmer

yanka heca ca uspe unkiyapi  
he taught us how to use the machines

yuhapelo Mis eya ptewaniyanpi  
I also had cattle

wickerna yanni wica bluha  
to the amount of thirty head

yelo can tipi bluha nakum blo  
had a house and barn cattle shed

tipi nakum Sunkongin pte onajui ko

ko yah au la tipi peji paha na  
chicken house I had hay

wayehota opsu pi zaptan heusake bluha  
stack of oats five loads
