Dear Mr. Campbell :

Some time ago I forwarded to you a set of indian pictographs taken from an old hide lodge of the Sioux. You will remember that you were not able to use them, and said that you would return them. They have not arrived yet, and I have an opportunity to use them now. Will you please forward them soon.

Have read your story "Dobe Walls" - old Fort Bent, and found it mighty interesting. Some day someone will write the story of the old post at Union, on the Missouri.

With kind regards, I am,

Very sincerely,

A B Welch
