Did SB warrior ever call out, "I  
am SB's son - a SB or SB's son?" DV  
but has heard SB announce himself.

other pict may make fun of it -  
if meant jump. Bull not a sitting bull.

#11 How SB got name? - on Warpath  
when SB 14 - on horseback & just joined  
warparty - second send out & returns  
saying enemy coming - so warriors  
hide behind little hill & look out -  
& saw enemy coming quite a ways off
