 boy on good looking gray horse - boy  
 naked & painted yellow with beads on & when  
 they started boy's horse was good  
 & led them - One enemy way back  
 + boy hits him & rides on -  
 after all enemy killed & warriors  
 returned - the boy's dad put him on  
 a bay horse & as honor & custom the

 same horse as on warpath as
