Lewis F. Crawford, Esq.,  
State Historical Society,  
Bismarck, N.D.

Dear Mr. Crawford:

Your kind letter of the 12th has come, and I am delighted. You are certainly most kind, and I shall never forget it. The gatherings of Indians all in that week provide an opportunity such I never hoped for. Barring an act of God, I shall meet you in Bismarck, so as to talk with the white men you mention, before starting to Yates, Saturday, September 1. I will send a wire later.

May I ask what my expenses may come to? I mean the pay of interpreters, etc.

Yours very cordially,

W.S.CAMPBELL
