

This story is about my father Makes Room Kiyulkampi. What did did in his days.

1. When (Makes Room) was 17 years old, they had a fight with (sku tani) at the head of Thick timber River, he strick one of the Enemy first & he strick another one again. At this fight they capture lot of Enemies (sku tanis) women being capture and some of them married sioux's. They raise their family amongst us. After this war the Skutani's got scare, and move away west where they cant see any more of the sioux.
2. The Crow Indians camp along Powder-River on the west side. Where the Sioux enter the camp in day time they capture lot of Horses, right at this moment one of the Crows were out hunting horses so they got this crow. Makes Room stricks first, right after this the Crows got on their horses start after them, when they catch up. They had a big fight. (Makes Room) capture eleven head of horses.
3. Below the mouth of Powder River they had a big fight with (Crow Indians) One of the brave Crow Indians was in front, coming, trying to scare the Sioux, but (Makes Room) started for him. The Enemy took a shot at him but miss him so makes Room took his spear and speared him of his horse and capture his horse. Good Thing that he was miss by the Enemy.
4. Along Red Water, near the month they had a fight with (Hohe) One of them was brave, coming in front, they afraid of him because hehad a good gun. Finely (Makes Room) got mad and start for him. Run over him, where he run over him Makes Room yell, just to hurt his feeling. (Makes Room) was 23 years old then. (Sitting Bull) was in this fight to.
5. At the fork of Missours they had a fight with (Hohe) again. (Makes Room) was 24 years old then. One of this (Hohe) was out in frong as a brave man he had Bow and arrow. Makes Room was mad again. he run over him again he yell again, because he was not shot.
6. Near this battle ground, (Makes Room) was 26 years old when they had a
