

fight again with (Hohe)s (Makes Room) strick a woman first and strick a boy second.

7. Along Rosbud River, Black feet and Crows Indians were on fight. The Black foots had stones or Rocks protections, so the Crows finely gave up and then they send message to the Sioux Camp, Mnikowojus, so they got out and order the Crow Indians to stay away and watch them what they going to do. When they made a start at them. Makes Room was leading, he get their first and strick one forst. (Makes Room) was 25 years old then. (Makes Room) was among his people doing lots of Brave deeds. he done many good thing that the people could'nt do.

8. One time the people were out hunting Buffalos. they all get some but except one. This man didnt get any. (Makes Room) saw this man coming with out beef. his locks shows he was feeling sorry. don't look good to those who see this man. (Makes Room) stop this man and hand him one of the lincs of his packed Horses. he give this horse to him was packed with beef. in order to make him feel better, This is one of the hardest thing to do among the people. They say its hard to beat. The horse he give to this poor man was a first class Running horse. This moor man was (Crow Eating) My Father Makes Room did this to show that he love me. telling out that I was three years old and I was to eat those beef packed on that horse but it will be giveing to that poor man.

My friend, I myself wanted to ask you one thing. You had give a sabre every since I always have in my mind that a Coat, Pants and a Cap should go with this sabre. Maybe I might saying to much, but that what I've got in my mind I want to show you. I am well and hope you are The same way. Hoping and oblige.

From your friend.

Chief Joseph White Bull.
