If you're not going to obey & not do as the whites say, you are going to cause a lot of trouble & cost your life. I have sworn to stay by you, and we have been friends a long time but if you are not going to do as whites say, we will not be together any more."

Then on spot where SB k. - GE gave him the house, horses & cattle & advice - was about 1 yr. before SB k. - in fall -

when SB k. - GE present? - yes. -

Why with police? - was told by Agt that if I would go nothing would happen & that SB would obey me. - I was to go with police & tell SB he was wanted at Ft. Yates

Gov't gave GE house across river & knew GE had given so much to SB.
