my part I don't want any trouble take your place but you are bothering me & my ped. & I preach not to raise any more arms if you will."

BC, "We shall not raise any more arms, I am going to move across this river & I want all you ped. to come there for ration"

SB "alright we may do so we shall cross & come there for ration"

SB then announce to take above & start across hill to get ration - just as they get on ridge - sold short canon & "Iron Ribs" hit in side; He struggled a ways & died & of course we start to shoot back -
