Mr. William Peacock,  
c/o Fox-Vliet Drug Co.,  
Wichita, Kansas.

Dear Sir:

My friend, C. A. Feward of Wichita, Kansas has referred you to me as one who might be able to tell me something of the Sioux leader, Sitting Bull. As it happens I am engaged on a life of Sitting Bull and would appreciate anything you could tell me about the man. Did you ever see Sitting Bull? If so, please tell me the details of the meeting, including what he said, did and wore.

Perhaps I should add that I am an old Rhodes Scholar and the author of several books on the old West. Please help me.

Sincerely yours,

W. S. CAMPBELL.
