

Which policeman killed Crowfoot?

Did he have any trouble with Sitting Bull before this?

or any of his men

Did Red Tomahawk ever have any personal quarrel with Sitting Bull before the arrest and death of Sitting Bull? If so, I would like to know about that. You may write on the back of this sheet.

I have heard that the summer before Sitting Bull died, McLaughlin called the police to his office and told them that it looked as if they would have to kill Sitting Bull. Did you ever hear about this? What was Sitting Bull doing that made McLaughlin say he wanted to kill him?

Who were the leaders of the White Horse Riders when Sitting Bull organized it? Was Old Bull one? How many men belonged to that order at first? When was it founded? Who were its chiefs? I would like to know about this.
