My dear kola:

Your letter of 17th, instant, from Washington, D.C., duly received. Immediately upon receipt of same, I got busy and herewith you will find the Sioux texts properly and correctly translated. Was sorry that I did not see you before you left the Dakota's. Every thing here is fine. Have been rather busy with my own transcripts. We are having splendid weather in Dakota. Trusting to hear from you again and with with best personal wishes

Cordially yours,
