Masters in Artistic and Multi-Colored Job Printing

Fort Yates, North Dakota

October 22nd, 1931.

Mr. W. S. Campbell,
Norman, Oklahoma.

Kola:

Have not heard from you for several months. Looked for you during the Standing Rock Indian fair. Your last letter written from France was duly received. Is your book on Sitting Bull published now? Would like to get several dozen as I know I can sell them here. Several of the old timers have passed away since you were here last. Let me hear from you at your earliest convenience. With kind personal wishes.

Sincerely kola

Frank Zahn
