Gentlemen:

I am trying to gather fresh information regarding the Sioux Indian, Sitting Bull, who fought Custer and was killed in 1890.

Can you refer me to any old-timers in your neighborhood who may be able to give me what I want? Please help me if you can.

Yours sincerely,

W. S. Campbell

Dear Sir:

If you will address Major A.B. Welsh, Mandan, North Dakota and mention my name and address I am sure he can help you as he is a student of Indian lore and recently gave an address on the life of Sitting Bull.
