Well ~~dearest~~ ~~love~~, I must  
run along & see these old-  
timers before we start.

Take care of yourselves,  
all of you. You are my  
only thought & desire. I  
think of you all day &  
dream of you at night.  
Whenever I meet one of these  
old-timers (white or red) so  
sat in human nature, I  
wish your quick appreciation  
men beside me - I love you  
Be happy, dearests - Love -  
Joakim
