Oklahoma City, Okla.

Dear Mr. Colcord:

My friend Dr. C. N. Gould has suggested that I write to you for aid in getting information about the famous Sioux Indian, Sitting Bull and his connection with Buffalo Bill's Wild West Show. I am looking up the facts about this Indian with the intention of publication. If you can help me, I'll be very glad to give you full credit for any facts you let me have.

I can come up to see you any afternoon next week that would suit you. Or any afternoon after that, in fact.

Faithfully yours,

W S Campbell  
( "Stanley Vestal" )

P.S.

Can you give me Fred Suttan's address?
