In your letter of Dec 14 to McLaughlin (1890), you state that Bullhead told you that at a council held the day before, there was discussion of a letter sent to Sitting Bull from Pine Ridge, asking him to come down there. Bullhead told you that Sitting Bull's "people want him to go," and that he is likely to go whether he gets permission or not. Therefore Bullhead wanted to arrest him at once.

Can you tell me who gave this information to Bullhead?

I do not suppose Bullhead attended the council of Sitting Bull's people?

Why was Shave Head intending to come down to visit Bullhead about that time?

Do you know of either of these men having trouble with Sitting Bull, or with some of his people before?

If so, what was it?
