

Brughiere

January 25, 1932

Clerk of the United States District Court
Fargo, North Dakota

Dear Sir:

I am informed that one Johnny Brughiere was tried for murder at Fargo in the United States District Court, December 27 to 31, 1879, and was acquitted. I am anxious to secure a transcript of the evidence taken at this trial. May I ask if there is a record of it and if so how many pages, and how I may go about securing a transcript.

Yours very truly,

W. S. Campbell.
