

So please let yourself go, and write everything you recall about the man. It will all be grist for my mill when I go to work on that book for the Indian schools.

I have another suggestion to make for the good of the Indian schools (not connected with my own activities) which I will make a little later. I don't want to make this letter too long.

Cordially yours,

W.S.CALPPELL

P.S.

Please let me hear from you soon about Sitting Bull, even though you cannot answer my questions about the book immediately.
