Dear Captain Campbell

Many thanks for the account of getting Bull at Fort Randall I read it with the keenest interest & congratulate you on the excellent job which will add to my collection of Indian material.

Mr & Mrs Collier & Donald spent the evening with me recently & next morning I received a delightful letter from John. He is handling a difficult job very well he has his troubles as you must know but he will come out on top I hope. A great friend of mine Prot Marshall is presiding for the Bureau he has power & backing near the throne. The enclosed copy of a letter from Nebraska concerning - I hope the A. F. W. will push the matter vigorously - I hope of late will do likewise. F. D. R. is strong for the sheltered I have been very ill since at death's door & I find recovery very slow but my friends are encouraging & keep me pepped up. I wish you could drop in for a visit. I am a short & heavy bodied person by using a pencil please don't write me a long
