Mr. George Miles,
Miles City, Montana.

Dear Sir:

Mr. friend, Professor H. S. Merriam of the University of Montana, has given me your name as one who could possibly give me some firsthand information about the Sioux chief, Sitting Bull. As it happens I am preparing a life of Sitting Bull and would greatly appreciate anything you might be able to tell me about him. Did you ever see Sitting Bull? If so, what did he do and what did he say? What was your impression of him? I am very anxious to get firsthand information from people who came in contact with him, as it is so difficult to sift the truth from the printed records.

Do you know any old timers who might have known Sitting Bull? Please help me.

Faithfully yours,

W. S. CAMPBELL.
