Dear Mr. Campbell:-

Replying to yours of the 16th, I think it would be best to get that story of Cody at Fort Yates from Dr. Chapin of Ontario, Cal., and rewrite the facts in your own style. I think he will give them to you.

As for the photos, the one of Sitting Bull addressing the council at Ft. Yates is about an 8x10, and I never have had it copied. They charge \$2 to copy one that size here, I can have this done if you care to stand the expense. Prints from the others of Bull will cost about 25c each.

Cordially yours,

E. A. Brininstool
