Re: Higheagle, Robert.

Professor W. S. Campbell,
 State University,
 Norman, Okla.

My dear Mr. Campbell:

Your letter of December 5th, regarding Mr. Higheagle received. We certainly appreciate your prompt reply giving us the needed information.

We were very much interested in Mr. Higheagle's story and thought that he was telling us the truth.

Please do not mention our communication to Mr. Higheagle as it would be embarrassing to him and we were very glad that we were able to be of some service.

Very sincerely,

LEAGUE FOR SOCIAL WORK.
