Reverend Owen Lovejoy,
Santee, Nebraska.

Dear Sir:

My friend, Reverend George W. Reed, informs me that you were local preacher in Sitting Bull's camp. As it happened I am engaged in a life of Sitting Bull and would like very much to find out Sitting Bull's relations to your Church. Do you recall anything he said or did about it that would reveal his attitude toward the Church. What is your own estimate of Sitting Bull's character?

I would very much appreciate anything you can tell me in this connection and I assure that I shall be willing to give you full credit in my book for the information I may receive.

Sincerely yours,

W. S. CAMPBELL.
