Mr. W. S. Campbell,

Norman, Ok.

Dear Mr. Campbell

Just received your letter of June 15.

Of course I will help you whenever I can. I hope to visit the Crow country within a few weeks, and if I do I will try to locate some old Crow who knew Sitting-bull. If I do not go I will write to a friend who knows most of the old fellows better than I do, and in this way I may land some information for you.

Sincerely

F. B. Linderman
