Dear Campbell

Yes, I'll review your "Sitting-bull"  
if you wish it, though I've never re-  
viewed a book, and may not please you  
myself in such work. Anyhow I'll do  
my best if you will have a copy sent  
to me. I feel guilty in not owning  
the book, but authors who write as I do  
cannot buy many books — as you  
afford to present his own to friends.

Glad you & Mrs Campbell like Red  
Mather, a fine old soul, is pretty solid.  
and I'm surprised that you have the  
Crazy-head incident in your book.  
This is another proof of the old Crow  
woman's truthfulness, I think.

Good luck & good health to  
you. Ho!
