Prof. W.S. Campbell,
Norman, Oklahoma.

Dear Mr. Campbell:

Major A.B. Brackett was the man of Brackett's Battalion. Patrick Edward Connor, the general Connor of Powder River notoriety, was a brevet major general of volunteers. Samuel Walker and Nelson Cole, the other members of the P.R. trio, are listed as colonels by Hebard and Brininstool in "The Bozeman Trail".

Charles Foster was the name of the member of the Crook Commission.

I do not find the name of LaFramboise but I'll search further and send it on at once if I find it.

Sincerely yours,

Lawrence K. Fox
