Mr. Herman Kahn, Chief  
Div. of Interior Dept. Archives  
The National Archives  
Washington 25, D. C.

Dear Mr. Kahn:

I have decided not to wait for a list of the items requested in my letter of February 22, but to take advantage of your kind offer to microfilm the records (totalling 379 pages) which you offer to do for \$10.00.

Please find enclosed money order payable to the Treasurer of the United States in the amount of \$10.00 in payment for this service.

I shall be very grateful if you will expedite this work as much as possible, as I need the material in order to complete a book which must be finished within a few weeks' time.

Very cordially yours,

W. S. CAMPBELL
