Mr. Stanley Crestal  
Norman Okla -

Dear Sir - I was sent  
this masterpiece from Aunt  
and was told to forward it  
to you. I don't know the  
author but did know the  
girl he was riding with  
when he had a wreck and  
she got a wooden 2x4 ran  
thru her. He evidently don't  
write any better than he  
drives a car. I have heard a  
lot of bull in my time both  
sitting and otherwise. He should  
have included the story of Bull  
adopting Arnie O'ahly as his daughter.

Yours Truly (Over)  
H. B. Kelley
