

I am not knocking anybody in this book, nor am I taking sides. I want the truth, that is all. And so I am asking you, as the son of the leader of the police force, to get the statements of the policemen who saw Sitting Bull killed. Please help me.

Now, I cannot afford to buy this information. But I am willing to contribute something to pay the expenses of the policemen, and I will pay you five dollars for your trouble in getting their statements, when you send them to me. Enclosed please find my check for \$15.00 to cover the expense of the meeting. If that is not enough, please send it back, as I cannot afford more just now.

I will also send you five dollars when you get the information I asked for from Circling Hawk in my earlier letter. And you may tell Circling Hawk that I will make him a present of not less than five dollars when he sends me that information through you. If he sends everything I asked for, I will pay him more.

Now, my friend, please push this matter through as soon as you can. Summer is coming, time is short, and I need this information soon.

Your true friend,
