My dear Professor Campbell:

I have your letter of recent date in regard to a list of possible purchasers of your SITTING BULL or a list of men who possibly would be interested in reading this book, and although they would not purchase it themselves, due to the depression, they might see that the book was placed in their public libraries.

When you have printed material about this SITTING BULL, would you be kind enough to send me a copy of it?

I am sending you a list of names that I am sending to my publisher myself, of individuals that I know very well, in regard to the distribution of printed material about SACAJAWEA. I have made a star by those whom I think might be especially interested in SITTING BULL. When you have copied those names would you be kind enough to return the enclosed to me.

Respectfully,

Grace Raymond Hebard
